Principal Auden,
Upper Canada College,
Toronto.

Dear Principal Auden:

If I am in the city on Friday, the 10th, I shall be very glad to go to Upper Canada College and take part in the presenting of prizes, but it is quite probable that I may be absent in the United States next week, and if so, I shall not return until Saturday night at the earliest. I shall let you know at the beginning of the week.

Yours sincerely,

President.
